ABOUT VINCENT LIGHTING SYSTEMS

Founded in 1978, Vincent Lighting Systems (VLS) has offices in Cleveland, Cincinnati and Pittsburgh. VLS provides theatrical, film/video and architectural lighting for a wide range of customers including performing arts centers, educational and religious organizations, production companies and retail establishments. The company's 50-person lighting team specializes in sales, rentals, production services, maintenance and repair.

Vincent Lighting Systems is the single source supplier for all your lighting needs. Whether a simple fixture or a major production, Vincent Lighting Systems has selections from more than 100 manufacturers. We offer a complete range of sales and rental equipment from dimming and control systems, to lighting fixtures and rigging equipment, and an in-stock inventory of supplies and expendables.
