
ARCHITECTURAL FIXTURES OFFER MANY OF THE SAME FEATURES THAT THEATRICAL FIXTURES HAVE, BUT THEY OPERATE AT A MUCH COOLER TEMPERATURE AND USE LAMPS THAT OFFER GOOD COLOR RENDITION AND LONG LIFE. THEY'RE IDEAL FOR RETAIL ESTABLISHMENTS, EXHIBIT CASES, RESTAURANTS OR SMALL SPACES WHERE HEAT OUTPUT AND SHORT LAMP LIFE CAN WREAK HAVOC ON THE CUSTOMERS, PRODUCTS AND OPERATING BUDGET. MOST FIXTURES LISTED HERE COME WITH BARE LEADS. PLEASE REFER TO PAGES 9 - 15 FOR CONNECTORS AND LAMPS AT ADDITIONAL CHARGE.

WASH FIXTURES

COLOR KINETICS ☎ MORE ITEMS AVAILABLE. PLEASE CALL FOR COMPLETE LIST.

ColorBurst 6 — 1160000140X — $ 643.00
Round, 6" spotlight LED fixture. Choose from a frosted lens for a soft-edge beam of light (22°) or a clear lens for extended light projection (12°). A 350° locking base swivel and unique mounting arm come standard. Indoor/outdoor use. Easily controlled via a DMX512 lighting console, a PC, or CK controller. Available in black or white.

ColorBlast 6 — 1160000130X — 643.00
Available in white or black finish, clear or frosted lens. Requires power supply.

[A] ColorBlast12 — 1160000120X — 966.00
Available in white or black finish, clear or frosted lens. Requires power supply.

Colorblaze
Designed for large-area scenery and wash lighting. On-board power supply, controllable in 6" increments. 10° beam angle, XLR-5 data connectors. Controlled via DMX512, a PC, or a range of CK controllers.

- 48, 4′ length — 11600001600 — 4,028.00
- 72, 6′ length — 11600001500 — 4,834.00

PDS 70 mr Power Supply

- Preprogrammed — 10900001800 — 301.00
- DMX control — 10900001801 — 301.00
- Ethernet control (PC) — 10900001802 — 358.00

IntelliWhite iW Blast 12 Powercore™ — 5230000010X — 1,127.00
Ideally suited for wall washing and grazing applications in interior and exterior environments. Complete line voltage system due to Powercore technology. Available in black or white, clear or frosted lens.

COVE, CABINET, COUNTER

COLOR KINETICS

iColor Cove MX Powercore NEW
12" cove light. Powercore technology integrates power and data management directly within the fixture, eliminating the need for external low-voltage power/data supplies. Technology provides uniform color mixing with maximized output. End-to-end connectors. Mounting bracket allows for simple 180° rotation in 10° increments.

- Regular 70° x 70° beam angle — 12300000400 — $ 192.00
- Narrow10° x 60° beam angle — 12300000401 — 208.00

EssentialWhite eW Cove
Dimmable, cost-effective linear system for common, medium-luminance alcove applications. Low profile makes it a perfect choice for a wide variety of installations in retail, exhibit, hospitality and architectural settings. Available in three fixed color temperatures: 2700K, 3000K, 4200K. Powered by CK 24V DC power supply. 120° x 120° beam angle. Mounting bracket provides 180° rotation.

- 6″ — 5000000050X — 33.00
- 12″ — 5000000040X — 45.00

[B] EssentialWhite eW Profile Powercore NEW
Low-profile, linear fixture for common under-cabinet lighting, task lighting and display case lighting. Powered by line voltage, it can support a run of up to 50 feet on a single circuit. At 7/8" thick and 1-1/2" wide, easily and discretely installed to illuminate work surfaces and displays in both commercial and residential settings. Available in two color temperatures: 2700K and 4000K.

- 11″ — 5230000270X — 82.00
- 21″ — 5230000270X — 138.00
- 41″ — 5230000270X — 223.00

GRAZERS

COLOR KINETICS

eW Graze Powercore NEW
Linear lighting fixture designed for exterior grazing and wall washing applications of high-quality white light. Its slim form accommodates even tight architectural niches. Available in color temperatures of 2700K or 4000K. 10° x 60° or 30° x 60° beam angle.

- 1′ length — 5230000300X — $ 401.00
- 4′ length — 5230000300X — 1,316.00

SPECIALTY

COLOR KINETICS

iColor Flex SL — 1010000260X — $ 564.00
Multi-purpose, LED-based strand of light that generates extraordinary effects without the constraints of fixture size, shape or space. Enables patterns and video on almost any interior or exterior surface – ceilings, floors, three-dimensional objects, sculptures. 50 individually controllable tri-color LED nodes, spaced 4" or 12". Translucent or clear dome, white or black strand. Indoor/outdoor rated.

[C] iColor Flex SLX — 1010000530X — 804.00
Larger-node and higher-intensity version of iColor Flex SL. Each node of iColor Flex SLX utilizes Chromasic® technology. 50 individually controllable nodes, spaced 4" or 12". Available as an independent system or as a component for custom fixtures. Translucent dome or clear flat lens, white or black strand. Indoor/outdoor rated.

EssentialWhite eW Flex SLX — 5000000070X — 696.00
Flexible strand of 50 white LED nodes that allow individual control. Dynamic points of white light can be installed across nearly any interior or exterior surface, even three-dimensional sculptures and set pieces. Well-suited for lighting tight alcove spaces and signage. 2700K or 4200K color temperature. Translucent dome or clear flat lens, spaced 4" or 12". Indoor/outdoor rated.

iColor Accent Powercore
Create seamless columns of color and color-changing effects. Precise control resolution down to 1.2" increments allows fixtures to run video, graphics and intricately designed effects. Can directly accept line voltage, eliminating need for external power supplies. Easily connected end-to-end for long continuous runs. Indoor/outdoor rated.

- 2′ — 12300001000 — 482.00
- 4′ — 12300001001 — 885.00
- 8′ — 12300001002 — 1,610.00

[D] iColor Tile FX 2:2 — 10100001900 — 1,449.00
2' X 2' panel that provides a canvas for creative lighting designs, effects, animation and more. Comprises144 individually addressable, tri-color LED nodes. Designed for recess and surface mounting on walls or ceilings. Capable of retrofitting ceiling tiles.

CONTROL

COLOR KINETICS

Colordial — 10300001400 — $ 237.00
Stand-alone lighting controller, interface for CK fixtures. With the appearance of a common residential dimmer switch, ColorDial triggers the generation of colored light and dynamic lighting effects at the push and turn of a knob. Dimmer rotation controls the color or speed.

[E] iPlayer 3/ColorPlay 3 — 10300001900 — 1,238.00
iPlayer 3 is a compact yet powerful hardware controller that stores and plays custom-authored or pre-programmed light shows. ColorPlay 3 is the authoring software component of the solution, which guides users through the basic steps of mapping the lights in a network, timeline creation, simulating light shows, and downloading shows to iPlayer 3.

iW Scene Controller — 50300000100 — 358.00
Wall-mountable controller keypad for use with CK IntelliWhite lights and power/data supplies. Can change color temperature from warm to cool, as well as brightness control.
