### PRODUCTION SERVICES

At Vincent Lighting Systems, we offer more than just fixtures and gear. You don't have to know what equipment you need. We can take your vision and create the event of your dreams.

We offer a full range of production services, from design conception to delivery, set-up, operation and removal. Our team is experienced in fulfilling your designs, or working from scratch to develop your ideas. We can provide professional installation or labor supervision of fixtures, special effects, dimming and control, power distribution, rigging equipment, staging and curtains.

You can count on us. Since 1978, we've lit special events ranging from political parties to sporting events, and many corporate meetings, bar and bat mitzvahs, weddings and receptions in between. Tell us your ideas; we'll work with you to create an incredible event.
