## FOG FLUID REFERENCE

BRAND	PRODUCT NAME	DESCRIPTION	MACHINES TO USE IN
<b>ROSCO</b>	Fog Fluid	Thick clouds; very long hang time; green fluid with mild scent.	Delta 3000/6000, Alpha 900, Model 1700, 4500
	Stage and Studio	Fast dissipating; ideal for chilled low-lying effect.	Delta 3000/6000, Alpha 900, Model 1700, 4500. Great with Cold-flow or Chiller module.
	Light Fluid	Thin clouds; long hang time; good for "haze"	Delta 3000/6000, Alpha 900, Model 1700, 4500
	Clear Fluid	Same effect as Rosco Fog Fluid; no scent or colorant added	Delta 3000/6000, Alpha 900, Model 1700, 4500
	New Hazemaker Fluid	Water soluble so as not to leave an oily residue on your equipment.	Hazemaker, Hazemaker 2
	F1 Fog Fluid	Thick clouds, long hang time.	F100
	Delta Haze	Steady, reliable haze to enhance light beams.	Delta Hazer
<b>ULTRATEC SPECIAL EFFECTS</b>	Director's Choice Fog Fluid	Clean, white, practically odorless. Medium hang time	G300, G3000, Maxifogger, Stage Fogger DMX, Showfogger Pro, Tiny Fogger, Ultra Handy Fogger
	Pro Beam Long Lasting Fluid	Less white than Fog Fluid. 2-3 times longer hang time.	G300, G3000, Maxifogger, Stage Fogger DMX, Showfogger Pro, Tiny Fogger
	Quick Dissipating	Dissipates at about twice the rate of Molecular Fluid.	G300, G3000, Maxifogger, Stage Fogger DMX, Showfogger Pro, Tiny Fogger. Great low lying fog when used with LSG or LSX
	Extra Quick	Dissipates at about twice the rate of Quick Dissipating.	G300, G3000, Maxifogger, Stage Fogger DMX, Showfogger Pro, Tiny Fogger. Great low lying fog when used with LSG or LSX.
	Molecular Fluid	Clean, white thick fog, practically odorless. Dissipates as it warms.	G300, G3000, Maxifogger, Stage Fogger DMX, Showfogger Pro, Tiny Fogger. Great low lying fog when used with LSG or LSX.
	Canisters	Same as Fog Fluid, but mixed with propellant for canister machines.	Mini Mist
	Haze Fluid	Excellent haze for showing light shafts. Made of water components.	H175, H300
	Maxi Fluid	Developed for high volume users.	G300, G3000, Maxifogger, Stage Fogger DMX, Showfogger Pro, Tiny Fogger
Neutron Haze	Nice, even water-based haze.	Neutron XS, Radiance
